

Mary Beth Cantrell

Mary Beth is Vice President, Law at Amgen Inc., where she is responsible for managing the company's complex commercial litigation including government investigations, qui tam actions, antitrust matters, and products liability portfolio. Amgen, a Fortune 500 company, is a leading human therapeutics company in the biotechnology industry. The company pioneered the development of novel products based on advances in recombinant DNA and molecular biology and launched the biotechnology industry's first blockbuster medicines. Prior to joining Amgen in 2003, Mary Beth was a partner in the Orlando office of Holland & Knight.
