**About CPR Institute**

The International Institute for Conflict Prevention & Resolution (CPR Institute) is a primary multinational advocate and resource for avoidance, management, and resolution of business-related disputes, both domestically and overseas. CPR Institute's wealth of intellectual property and published material has educated and motivated general counsel and their firms around the world toward an increased reliance on alternative forms of dispute resolution rather than litigation. CPR's proprietary panel of esteemed arbitrators and mediators has provided resolutions in thousands of cases, with billions of dollars at issue, worldwide.
