

# Vol 21 Index (2003)

All articles published in *Alternatives* in calendar year 2003 are indexed below, by subject and by author, along with key words. For example, the first entry below is for the “Access to Neutrals Initiative (Federal Mediation and Conciliation Service).” The initiative is listed as appearing in the article titled “Mission Creep? Federal Agency Asks for Comments on Its Panel Roster Plans,” 5/03, 106. The listing indicates that the cited article appears in the May 2003 issue, at page 106.

Within index categories, articles are listed chronologically. *Alternatives* published two combined issues last year: a July-August issue, which is indicated in this index by “7/03,” and a November-December issue, which is indicated in this index by “11/03.” There are no “8/03” or “12/03” listings.

Federal government agencies and courts generally can be found preceded by “U.S.” in the listings.

Back issues of *Alternatives* are available in full text on Westlaw and Lexis. After logging in at [www.westlaw.com](http://www.westlaw.com), type “ALTHCL” in the “Search these Databases” box. After logging into [www.lexis.com](http://www.lexis.com), select the “Legal” tab, then select “Area of Law by Topic,” then select “View More Sources,” then click on “Alternative Dispute Resolution,” then select “Model ADR Practices and Procedures,” then select “CPR Institute for Dispute Resolution,” then click on “Alternatives to the High Cost of Litigation.”

There also are issues digests and feature articles at [www.cpradr.org](http://www.cpradr.org).

Online, commercial database and index information appears in each issue. Please send comments to [Alternatives@cpradr.org](mailto:Alternatives@cpradr.org).
