A number of the specialty panels (Construction, Employment, Energy, Insurance, International and Technology) require completion of an addendum at the end of this questionnaire. If you have indicated an interest in a specialty panel other than those, please describe your qualifications for the specified panel(s), e.g., percent of time spent in training or practice in that area, description of cases handled, etc.:

I have attached pre-existing bios from JAMS website for the areas identified above. Banking, etc., Franchise, and Insurance are on Business/Commercial bio; Construction on Construction bio; Empt on Empt bio; Entertainment, Technology and Trademark on Intellectual Property bio; Enviro on Enviro bio;; Healthcare on Healthcare bio. This seemed like most efficient way to provide greatest amount of useful info; please let me know if you need anything else.

Without this information, we cannot evaluate your experience in the field.

Please detail your areas of concentration with “P” for a primary area of practice and “S” for a subsidiary area of practice. Note: these are areas in which you already have experience, rather than areas in which you are interested.

7. ADR TRAINING

Sponsoring Organization & Location	Primary Model Fostered by Training: (e.g., Facilitative, Evaluative, Transformative, Caucus, Non-Caucus)	% of Time Spent in Role-Plays/Exercises	Year Taken	Duration: Hours of Training
***see below				

I have long ago given up trying to keep up with my mediation and arbitration training. I have attended hundreds of hours of such training/CLE, presented by a host of different organizations over the course of 15 or more years. I have made over 100 training / CLE presentations in over 15 states and taught ADR courses in two law schools for a total of six semesters (with probably a dozen guest presentations in three different law schools.)

b. Statement of Philosophical Approach to Mediation

I use what I consider to be an “analytical approach” to mediation, involving preparation on the part of the mediator and the parties and counsel, a case by case analysis of how to conduct the mediation with input from counsel, and active engagement on my part in all aspects of the mediation including both “merits” and settlement issues. If it seems useful and if I have a valid basis to do so, I may offer observations about both merits and settlement issues.
