## CPR'S RULES

**THE CPR DIFFERENCE:** our [rules](#), [protocols](#) and [model clauses](#) are driven and informed by the CPR Institute, CPR's think tank, a collection of expert end-users who are on the front lines of dispute resolution.

### THE ARBITRATION RULES ADDRESS USER CONCERNS ABOUT:

**COST:** Fees are capped at \$34K

**TIME:** Awards are generally issued in less than 1 year because of time requirements in the rules with CPR oversight, efficient electronic filings & fast appointment of tribunals, typically within 3-4 weeks of initial conference call

**NEUTRALITY IN SELECTION PROCESS:** Users control the tribunal selection and our award-winning [screened selection process](#) is the default

**EARLY DISPOSITION AND SETTLEMENT:** The rules expressly allow for early disposition, and the arbitral tribunal and CPR are authorized to propose settlement and assist the parties in initiating mediation at any stage of the proceedings. In addition, CPR's latest [Clause and Protocol for Concurrent Mediation/Arbitration](#), which provides an innovative mechanism to optimize the chances for resolution.

### FULL-FEATURE RULES PROVIDE THE BEST OF WHAT YOU ALREADY KNOW AND EXPECT FROM ARBITRATION RULES:
