

CPR DISPUTE RESOLUTION

CPR Dispute Resolution provides leading-edge [dispute management services](#).

CPR DISPUTE RESOLUTION RULES & SERVICES

RULES CREATED BY END-USER

Our [rules](#), [protocols](#) and [model clauses](#) are driven and informed by CPR's think tank and developed by end-users who are on the front lines of dispute resolution. CPR's various Administered Rules reflect the issues of importance to the end-user:

Administered Arbitration Rules
Reduce time and cost and increase confidentiality.

Employment Arbitration Rules
Provide innovations to facilitate resolution while ensuring due process protections.
