2020 CPR Latin America Conference Rescheduled

We regret to inform you that due to an increase in the number of cases of the COVID-19 virus in the past few days in Brazil, and for the safety and health of all participants, our host partner AASP, and the Organizing Committee of the Conference have decided to reschedule the 2020 CPR Latam Conference scheduled for March 30, 2020 to the second half of 2020. The new date will be announced over the next few weeks.

If you are already registered, you can request a refund for the registration fee or keep your registration for the rescheduled event.

We sincerely apologize for any inconvenience this has caused to you. Please do not hesitate to contact us with any questions or concerns.

This was a difficult decision to make. Again, we apologize for any adverse impact this may have had on you and your plans.
