

ABOUT CPR

Established in 1977, CPR is an independent nonprofit organization that helps prevent and resolve legal conflict more effectively and efficiently.

The **CPR Institute** drives a global prevention and dispute resolution culture through the **thought leadership** of its diverse membership of top companies, law firms, academics, and leading mediators and arbitrators around the world. The Institute **convenes** best practice and industry-oriented committees and hosts global and regional meetings to **share practices** and **develop innovative tools and resources**.

The Institute **trains** on dispute prevention and resolution, **publishes** a monthly journal on related topics, and **advocates** for supporting and expanding the capacity for dispute prevention and resolution globally.

CPR Dispute Resolution harnesses the thought leadership and output of the Institute to provide **ADR services** – mediation, arbitration, early neutral evaluation, dispute resolution boards and others – through **innovative and practical rules and procedures** and through **CPR’s Panel of Distinguished Neutrals**.

JOINING CPR'S GLOBAL PANEL OF DISTINGUISHED NEUTRALS

In evaluating applications, CPR considers candidates' education, experience with arbitration matters, ADR training, ADR experience, references and, where appropriate, substantive experience in a given field. We strive for geographic and other diversity. All CPR neutrals are expected to maintain the highest ethical standards as set out by the governing ethical codes and rules.

SHORTCUT TO CPR'S GLOBAL PANEL FOR OUTSTANDING INTERNATIONAL APPLICANTS

In an effort to continue to diversify its Panel, CPR has opened an additional pathway to become part of the CPR Global Panel. This pathway is intended to streamline the process and accommodate a greater range of applicants.

To apply via this path, please follow these steps:

STEP 1: Send two Letters of reference from Members of CPR's International Advisory Boards (Brazil Advisory Board, European Advisory Board, Canada Advisory Board).

These reference letters should include the following:

- Information about the Applicant's skills which would support their work as a neutral
- Information about their experience and how they acquired their skills
- Information about their style as a neutral
- Information on any subject matter expertise

STEP 2: Send a resume detailing the Neutral's experience in complex commercial or other business-related matters

Once CPR has decided on the application, CPR will require a successful applicant to input further information on subject matter expertise into CPR's system in order to update its database of Distinguished Neutrals. CPR Members and other neutrals have online access 24/7 to the CPR Panel of Distinguished Neutrals and use it to select neutrals not only in CPR cases, but also in cases under other institutions' rules.
