International Institute for  
Conflict Prevention & Resolution

One of CPR's greatest strengths is the work produced by its members. CPR's Advisory Council spearheads CPR's innovation, acting as an incubator and sounding board for CPR projects. CPR's industry-specific committees analyze dispute resolution challenges, recommend global best practices and publish materials on issues at the forefront of legal debate. The balanced perspectives of these committees provide a unique platform for analyzing the latest developments, both legal and practical, in all manner of dispute resolution. Committees meet regularly to analyze trends and develop projects relevant to their practice areas.

CPR regularly convenes this committee of in-house counsel, attorneys, and leading ADR practitioners to analyze, establish benchmarks, produce programs, and publish material on issues that are critically important to business practices in the field of construction.

The Co-Chairs of this Committee are Sarah Biser of Fox Rothschild, LLP and Jennifer Fletcher of Eversheds Sutherland. The Vice-Chair of this Committee is Laura Stipanowich of Bechtel.
