DIVERSITY MATTERS

We recognize that our greatest successes come when we value and draw upon the knowledge, experience and talents of all people by being both diverse and inclusive. To achieve those successes, our organization seeks diversity not only in its workforce but also in its providers of goods and services.

We see great value in diversity and inclusion among those who represent our organization, we see equal value in diversity and inclusion among those who mediate and arbitrate our matters. Therefore, we actively support the inclusion of diverse mediators and arbitrators in matters to which we are a party or counsel.

To implement our commitment to diversity and inclusion in the selection of neutrals:

“We ask that our outside law firms and counterparties include qualified diverse neutrals among any list of mediators or arbitrators they propose. We will do the same in lists we provide.”
