

One of CPR's greatest strengths is the work produced by its members. CPR's Advisory Council spearheads CPR's innovation, acting as an incubator and sounding board for CPR projects. CPR's industry-specific committees analyze dispute resolution challenges, recommend global best practices and publish materials on issues at the forefront of legal debate. The balanced perspectives of these committees provide a unique platform for analyzing the latest developments, both legal and practical, in all manner of dispute resolution. Committees meet regularly to analyze trends and develop projects relevant to their practice areas.

The Co-chairs of this Committee are **Rick Richardson of GlaxoSmithKline, Grace Speights of Morgan, Lewis & Bockius LLP** and **Marjorie Berman of Krants & Berman.**

The Mediation Committee consists of CPR members around the world and focuses on issues related to improving the quality of mediation practice, both domestically and internationally. In addition, the Committee works to identify neutrals to serve on CPR's Panels of Distinguished Neutrals.
