

CPR EUROPEAN ADVISORY BOARD (EAB)

CPR carries out its mission in Europe with the help of its **European Advisory Board (EAB)**, a prestigious “by invitation only” body of dispute prevention and resolution experts composed of CPR member representatives based throughout Europe.

Within the EAB, representatives from leading European law firms work collaboratively with senior representatives from leading corporations. Half of the members are senior corporate counsel while the other half are outside practitioners, neutrals or academics.

The Chair of the EAB is **Isabelle Robinet-Muguet**, Vice President, General Counsel, International Legal Affairs & Mediation, at Orange S.A and its Vice-Chair is **Alexander Oddy**, Partner at Herbert Smith Freehills. The Secretary to the EAB is **Elizabeth Chan** of Three Crowns. The EAB includes an Executive Council which manages and supervises the activities of the EAB in close coordination with CPR’s management in the US. The Executive Council provides strategic direction for CPR’s activities in Europe and works with the other members of the EAB to implement those initiatives.

The EAB develops **practical resources** for in-house counsel and practitioners, monitors issues of **public policy** relating to ADR in Europe, shares knowledge and best practices, and organizes trainings, events and conferences throughout Europe. Recently, the EAB developed a **European Mediation & ADR Guide** (available in several languages) and drafted the **CPR International Mediation Procedure**. The EAB also promotes **CPR Dispute Resolution services in Europe** and continuously identifies highly qualified arbitrators and mediators to join the **CPR European Panel of Distinguished Neutrals**.

These initiatives are carried out by **EAB Working Groups** which meet periodically by telephone or in person. Every year, the EAB organizes two in-person meetings in Europe. Each meeting is typically preceded by a public event followed by a dinner for EAB Members. EAB Members also participate in the annual **CPR European Conference** which takes place in the Spring.

EXPECTATIONS FROM INDIVIDUALS APPOINTED TO THE EAB:

- ☑ Be a CPR Member or affiliated to a CPR Member organization
- ☑ Regularly attend EAB meetings
- ☑ Participate in Working Groups
- ☑ Support CPR and its mission for efficient and cost-effective dispute prevention & resolution
